Video Contests

Mr. Burt's technology classes have been busy this year creating videos for various contests.

PowerAde Video Contest

The senior class entered the PowerAde Video Contest for the second straight year. Last year the group won the Regional Award for Best Video. This year Ira was named the National winner for Best Video. The award comes with a \$10,000 prize to be used for the Athletic Department.

UIL Film Contest

One of Mr. Burt's junior classes created a documentary for the upcoming UIL Film Contest. The documentary focuses on the Hope for AIDS Orphanage in JinJa, Uganda Africa. Throughout the first semester Ira students communicated directly with the director of the orphanage as well as with the students there.

All of the orphans in this home are there because their parents died of AIDS. The documentary tells the story of this orphanage. The video can be seen on YouTube by searching for Hope for AIDS Orphans.

TASB Video Contest

Eighth grade students have submitted a video for the TASB Video Contest. This contest asked students three questions: 1) What do you love about your school? 2) What makes your school a special place? 3) Why are Texas public schools awesome? Results of this contest will not be available until Spring 2019.
