

Bryant Family Memorial Scholarship

A member of the Bryant family has either been in the Ira community or the Ira School for almost 90 years. And, prior to that our mother's parents worked at the school. The school and community has shaped our lives and led us to step up when additional help was needed. We have made many lifelong friends here. To this day, you will often find a Bryant in the stands cheering on our beloved Bulldogs.

We believe that students from Ira have a strong ability to succeed and help others so we have established the Bryant Family Memorial Scholarship of \$1000 for students seeking to a end college or technical school.

Eligibility Requirements

- Graduation year of application
- Must be attending a college or technical school in the fall
