What functions should be included in the budget summary report for the per student and aggregate spending on the defined areas? Will the per student be based on student enrollment or ADA?

The summary of the budget should be presented in the following function areas.

- (A) Instruction - functions 11, 12, 13, 95
- (B) Instructional Support – functions 21, 23, 31, 32, 33, 36
- (C) Central Administration – function 41

The per student will be based on student enrollment.

There have been questions as to how you report your previous year's budget and your proposed budget. We would interpret this to mean all funds that comprise the budget (not just those officially reviewed by the board); but, the statute is not definitive in regards to this question.

The most accurate approach would be to include all funds, but if you show only 199, 240, and 599 in proposed budget, use only those funds for the previous year's budget. Consistency in how you report budget comparison is an important consideration.

*** New Expenditure Code (Function Code 41) for all statutorily required public notice**

During the 85th Legislative Session the Texas Legislature passed Senate Bill (SB) 622. SB 622 requiring school districts to reflect in their proposed budget a line item specifically for expenditures to publish all statutorily required public notices in the newspaper by the school district or their representatives. The line item must provide a clear comparison of the budgeted expenditures and the actual expenditures for the same purpose in the prior year, as required under Texas Local Government Code §140.0045.

**** New Expenditure Code (Function Code 41): Expenditures for "directly" or "indirectly" influencing or attempting to influence outcomes of Legislation or Administrative Action**

During the 86th Legislative Session the Texas Legislature passed House Bill (HB) 1495 requiring school districts to reflect in their proposed budget a line item indicating expenditures for "directly or indirectly influencing or attempting to influence the outcome of legislation or administrative action as terms are defined in Section 305.002, Government Code."
