Meeting at 8:00 am in the Teacher Workroom at Ira ISD

Present for meeting:

Mandi Calley

Kristen Flanagan

Megan Conner

Cati Patrick

Vanessa Smith

Kelby Pechacek

This meeting was to discuss abstinence curriculum for next year. Cati explained that she will be teaching the class now, the curriculum they must look at and suggest a new curriculum. The previous curriculum belongs to the co-op that was coming to teach the lessons. Cati presented a curriculum from [restoringthedream.net](http://restoringthedream.net) in which each year builds on the previous year and introduces goal setting and dreams and teaches the student why they should abstain from sexual activity due to this. The SHAC really liked that idea and the fact that the curriculum gives reasons to abstain and chances to practice saying "no". Megan Conner made a motion to recommend this curriculum to the board to adopt as the new abstinence curriculum. Vanessa Smith seconded the motion. All present were in favor.

Meeting was adjourned at 8:30 am.
